

Mena Chair

Model Number

MN-2

Originally designed for a hospital setting, the Wishbone Mena Chair was named by the client to reflect the spirit of care and compassion—"Mena," meaning a kind and selfless person who puts others first. That same thoughtful intention is woven into every part of this chair's design.

Built for the rigours of public spaces, the Mena Chair features a robust marine-grade aluminum frame, powder coated for superior durability and corrosion resistance. Paired with recycled plastic lumber, the result is a long-lasting, low-maintenance solution ideal for hospitals, courtyards, and other municipal outdoor environments.

Bolt-down ready, the Mena Chair offers peace of mind with secure installation. Its compact 2 ft size and inviting form to make it a perfect standalone seat or seating around complementary Mena Coffee Table. As a set its called the Mena 2 seat Bistro.
